LISA- You are one of the sweetest girls I have ever met. I really wish we could have been closer friends this year but there was so much going on that interfered with our friendship. This summer and on we ~~are~~ should really "re-build" our friendship again. I wish the best for you.

ACTIVITIES

Delighting summer audiences, Neil Simon's "Little Me" proved to be yet another PTSA success. Students from all three high schools on the hill took part in this exciting musical comedy. A special visit by Donald O'Connor, the always popular star of both the screen and the stage, was a highlight of the show's successful run.

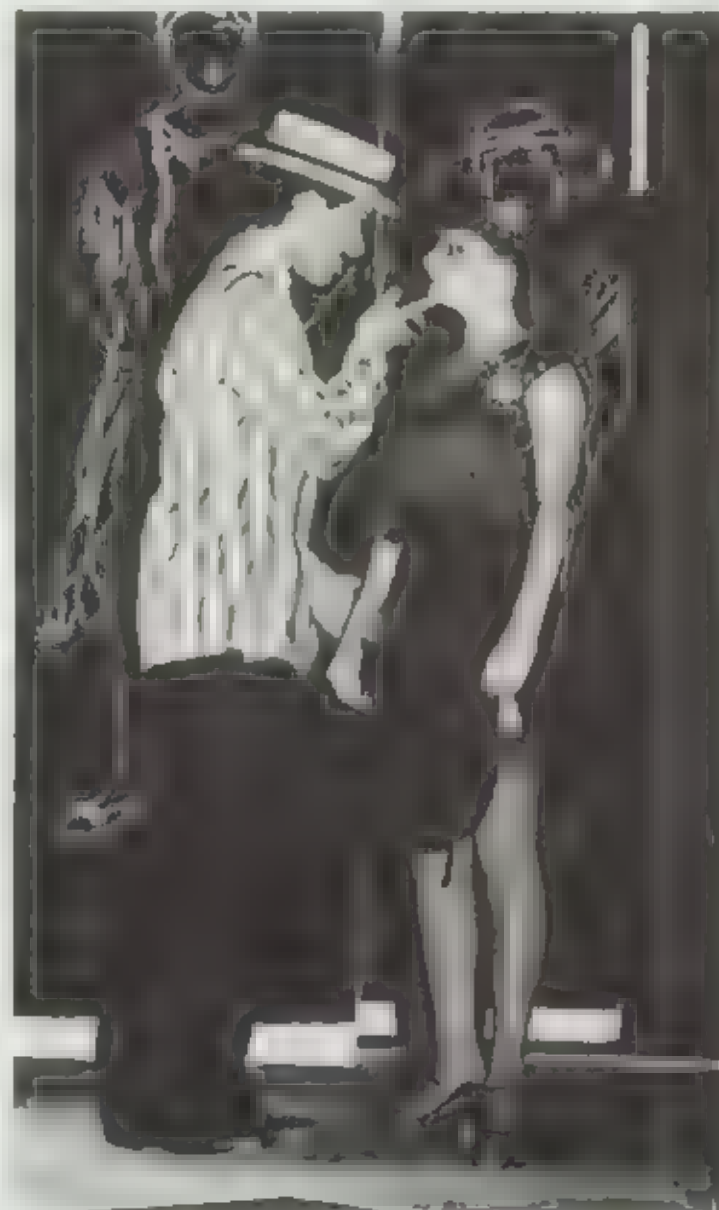

Tiffany Smith played the older Belle Poitrine, who, in the process of telling her memoirs takes the play back to the time of her youth. The story then follows the younger Belle, played by Kirsten Benton, in her pursuit of "wealth, culture, and social position." Adam Horn showed his great versatility by playing the various men in Belle's life. Supported by an excellent cast and crew, the show was an exciting and memorable production.

Standing back proudly, Older Belle (Tiffany Smith) presents the finished statue (Ben Lipton)

“Little Me” proves to be yet another great success story

“Not yet!” cries the dying Prince Cherniev (Adam Horn) to the angel Kim Lawson as his loyal subjects bid goodbye to their beloved prince.

Standing side by side, Beie (Kirsten Benton) waits patiently for an excited Fred Poirine (Adam Horn) to calm down.

Taking time out from another day of hard work, stage crew finally relaxes.

“Anyone for a box of jujubees?” asks Adam Horn of Brad Cassil, Greg Mohr, Kirsten Benton, Jon Tilley, and Kim Lawson.

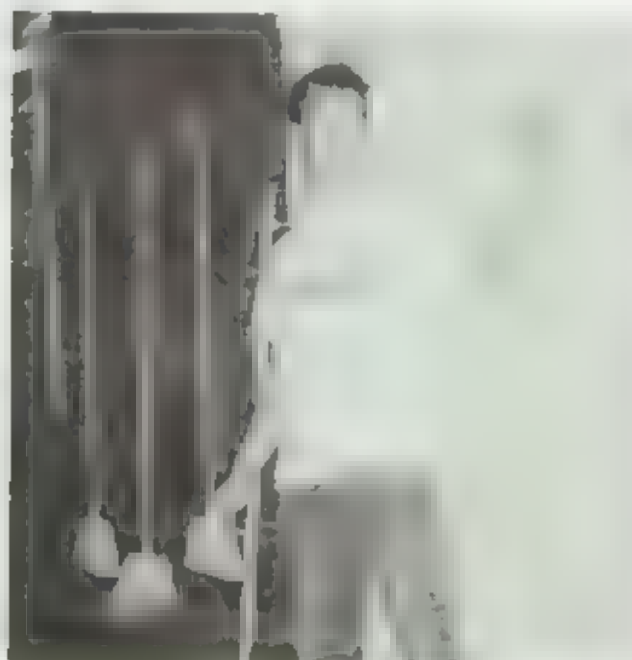

Students have weekend of hard work and fun play

The annual Leadership camp, held at the JCA camp near Big Bear was very successful. Much was accomplished throughout the weekend. The first day was spent entirely on the planning of the 1984 Homecoming activities

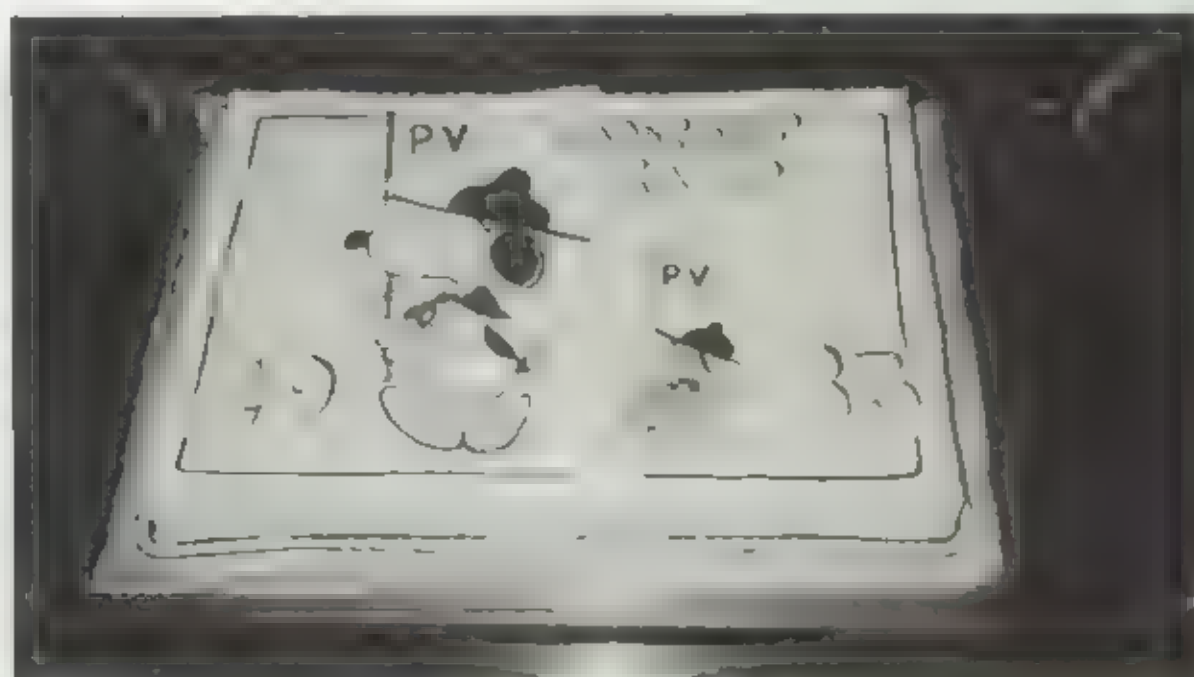

The second day, the students were split into groups to discuss various topics including school improvement and Creative Thought Day. Students were also given an opportunity to sit back, relax and enjoy the mountain air.

School gets together for a huge spirit-filled bonfire

Brought back after a long absence, the traditional bonfire was held on the night before Homecoming day. According to ASB President Walter Burkley, "It was a huge success. Everyone was pleased and it showed school involvement by everybody

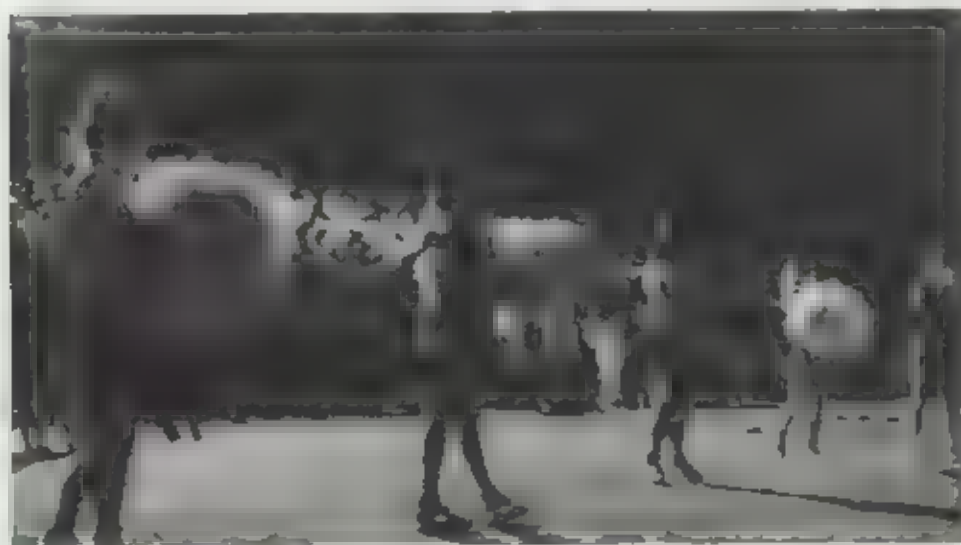

The event was held on the football field with extreme safety precautions in mind. The people in the houses bordering the school were warned of the occurrence. Because the tremendous outcome, a bonfire for next year is very likely.

The helpful Palos Verdes firemen put out the fire as best as they could

Special trained personnel made the start of the bonfire a very successful one

Enormous crowds of people at great times gave a precedent for a bonfire next year

School spirit and involvement were very large factors on bonfire night

"Will it rain like last year and ruin all the activities?" This was the question in everyone's minds Homecoming day of 1983. Fortunately for everyone except the Tartars it did not rain, and the day went on as scheduled. The first major activity of the day was the Miss Brickhouse competition in which John Wang, alias Mrs. Glushenko, was chosen Miss Brickhouse 1983. The pep squad then spoke their sparkling bits of poetry and the game was soon upon us. The Torrance Tartars were in for the game of their lives. At half time, the sophomore float was awarded first place and Natalie Baszile was chosen Homecoming Queen 1983-1984. The Sea Kings later 'creamed' the Tartars. (Does that make them tartar sauce?) All in all, it was a grand day full of the usual excitement and spirit plus an extra feeling of unity between the classes.

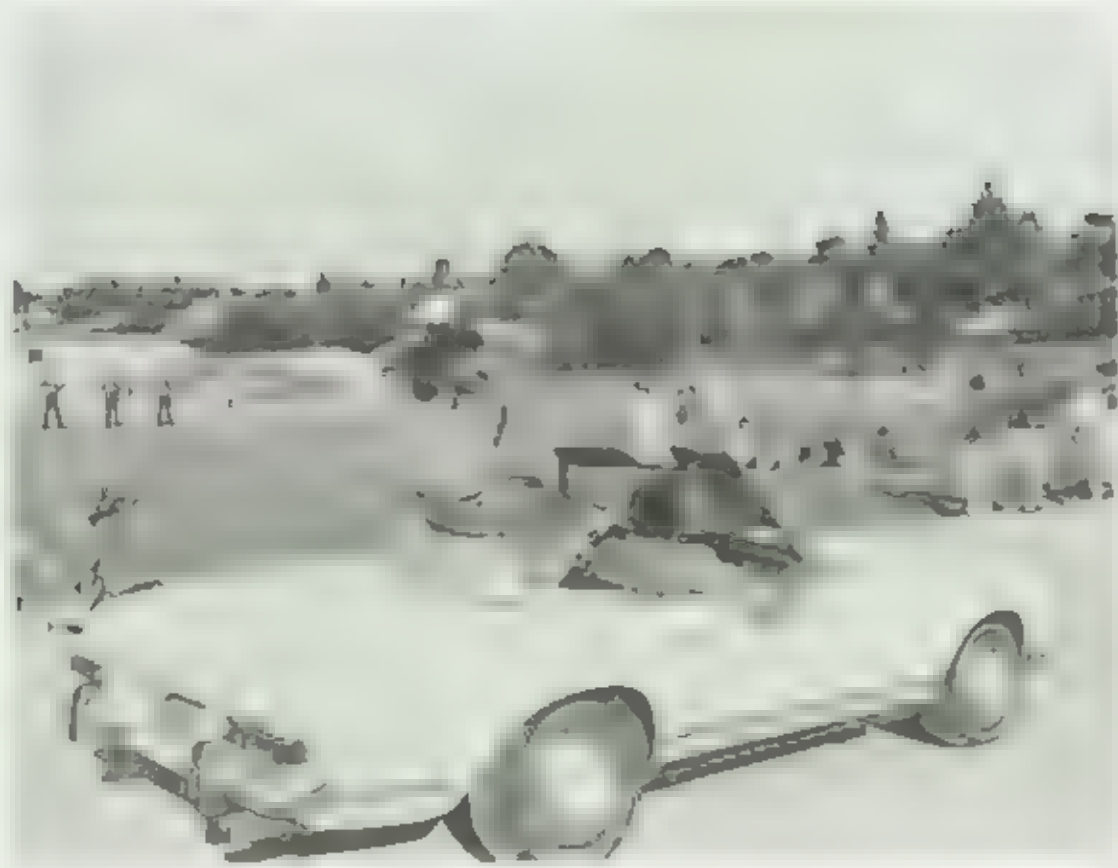

Greg Hardy seems to be taking the day's activities seriously

'Godspell' casts a spell on audience

Godspell, PV High's first fall musical in eleven years, entertained audiences with a fine performance. Although attendance was not huge, the play still received great reviews.

Godspell exhibited the morals and the ideals of Christianity with an enthusiastic cast to support it. The show displayed talented performers with Adam Horn and Tim Hurley being the most dominant of the group. As usual, the choreography of Godspell was excellent as most of the PV High's musicals have been.

At the hands of director Jim Bell and choreographer Michael Rooney, the show ran very smoothly.

While the Christmas spirit was high in PV, an unforgettable journey was made to Harlan Shoemaker. Drill Team, Orchestra, Pep Squad, and assorted student body were among those who attended. They entertained and enlightened the day for several physically and mentally handicapped children

Acts included, "The Toy Soldier," "The Three Pigs," and "Rudolph, the Red Nosed Reindeer."

The wonderful experience was rewarding to PV students as well as the Harlan Shoemaker kids.

Youth marches to promote education

"Youth on Parade" is an annual event that opens the eyes of many. The main purpose was to inform the community of the numerous youth programs on the peninsula. Marching bands and pep squads from PVHS, RHHS, and Miraleste were included in the parade. PVHS's theme was "A Flash of Brilliance" and members of the student body were appropriately dressed in trenchcoats and dark glasses. It was certainly a day of spirit and excitement.

Thanks to the amazing basketball instincts of Gil Eberhard, son Steve, and Hoppy Keler the faculty roiled to another victory in the annual Donkey Basketball Game 50-34. The students led by Pat Watson's 12 points, did not quite attain the heights they had aimed for, inspite of the strong performances of Dave Morris, Dave Neilan and Jerrell Stark

The girl's half of the team was led by Karen Breslau, who scored a personal as well as team high of 2 points with the help of teammates Nan Williams, Chrissy Giorgio, Diana Hoff, and Johanna Staple. Senior Daryn Holland remarked "Although we lost, the game was a lot of fun." That's about all it was

The faculty lineup consisted of many strange and interesting looking teachers whose age and experience overcame the valiant efforts of both the student teams

Despite an outstanding effort, students lose again

Valentine's Week was a time for getting involved in school activities and preparing for the upcoming formal. In the Powder Puff football game, the activity of the week, junior girls defeated the senior girls with a score of 14-0. Lunchtime activities included a balloon toss and the sale of Roseagrams and Valagrams. The balloon toss left most of the participants soaked, but was still much fun for all. For those special people, Valagrams, a valentine with a personal message, were on sale the entire week.

“They’re Playing Our Song” in 1984

The very successful fourth annual Valentine’s Formal was sponsored by the Student Activities League. The romantic decor used red, black, pink and white balloons along with pretty pink and white carnations. Streamers from the ceiling to the walls ended in a shower of hearts to set the mood for romance

The highlight of the evening was the announcement of the Valentine’s Court. Continuing the Hardy reign, Greg Hardy was named “King of Hearts” with Princes Scott David, Chuck Swanson, Matt Newel, and Mike Hamilton as his court.

Kirsten Benton and Dan Selzer enjoy the view while on a balloon ride

This spring PV's Performing Arts Department lit up the stage with Neil Simon's musical comedy, "Sweet Charity." In this acclaimed musical, the audience follows Charity Hope Valentine throughout her adventures to find true love and happiness

"Sweet Charity" combines a variety of dancing and singing styles from the 60's. In addition to a talented cast, ingenious sets and a dazzling orchestra played key roles in the show's success

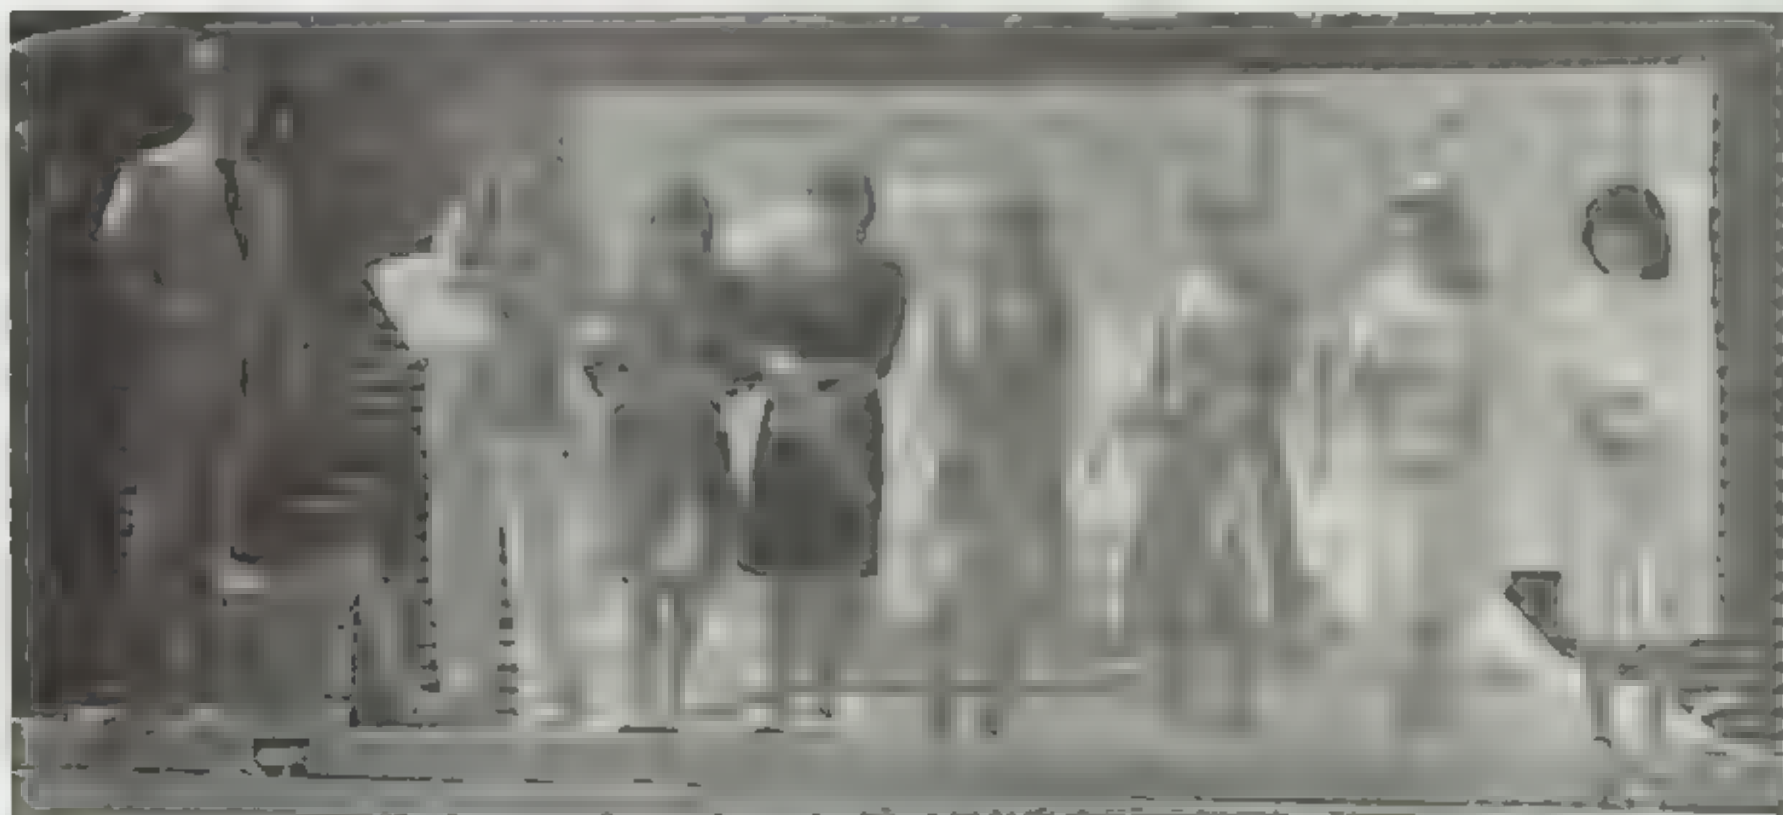

Capturing the lead role was Kirsten Benton, as Sweet Charity, with Dan Selzer and John McIntire playing opposite her. Other strong performances were given by Amy Ferrera, Anita Intagliata, Jill Matson, Ben Lipton, Brooke Theiss and Eric Kunzleman

Once again, the Sophomore Class campaign to raise money, motivated all involved. This year, after a week of carrying around buckets for their favorite 'doll', the enthusiastic Sophomore boys collected over one thousand dollars, to be used in following class activities

Many activities took place throughout the week, but most successful of all these, was the Friday night Soph doll dance, at which the winner was announced. That is, the girl who had had the most money collected for her, was awarded with the 'Soph Doll'. It was Jeannine Kilroy that managed to achieve that goal

PV's performances really take the cake

Throughout the year, P V High School's Performing Arts Department provided the opportunity for dedicated students to develop their talents. With the help of Orchestra director, Don Marino and Choral director, Connie McIntire, the students have devoted much time to fulfill their desire to entertain others. Many performances were given by these groups: the Christmas concert and their Harlan Shoemaker performance, both taking place in December, and many others, taking place in the Spring. In years past, the Performing Arts Department has given students the chance to perform for their enjoyment and for the enjoyment of others, and will continue to do so in years to come.

SENIORS

The Senior Class left high school with many memories. Through the encouragement and dedication of the senior class officers, Class of '84 started off the year with many activities. As the year progressed, Class of '84 grew closer together as graduation neared. Senior Ditch Day at Catalina Island, Grad Night at Disneyland, and the prom really topped the whole year off.

Under the leadership of President Christine Kim, traditional activities were pursued with revived enthusiasm.

A 3x4 grid of 12 black and white portrait photographs of students. The portraits are arranged in three rows and four columns. The students are of various ethnicities and are dressed in formal attire, including suits, ties, and dresses. The background of each portrait is a solid, light color. The overall quality of the images is somewhat grainy, typical of older film photography.

JUNIORS

Class of '85 gives full support to class

Although a hard year academically, the juniors kept up their energy and enthusiasm.

Many of the juniors' efforts went towards raising money for the Prom. Working in unison with Class President Mike Brandmeyer, they succeeded in making the evening a great success. Brandmeyer commented, "The junior class has pulled together with characteristic support for each other."

During Homecoming Week, the juniors showed their spirit by making an excellent float to the theme of "Camelot." They also fared well during the week's activities by winning the tug-of-war competition.

SOPHOMORES

Working hard on the winning float, organizing Soph Doll Week, and raising funds were the main areas the sophomores put their excessive energy to. Class President Akemi Yamane commented, "My main goal was to make this year memorable for all of the sophomores. I think we accomplished this by winning the floatbuilding contest." Yamane continued, "Now that our class is better acquainted with each other, we have shown school spirit and enthusiasm throughout the year. The Class of '86 has a great deal of talent and determination. I think everyone had a fun year and is looking forward to two more successful years in high school."

FRESHMEN

Class of '87 has a fantastic first year

"My goal was to have the Freshman Class enjoy their first year at PV as much as possible. Through the various activities we had planned, I feel we have achieved that goal."

With this optimistic statement made by Freshman Class President, Kevin Mardesich, and with the spirit of the freshmen, they were able to have a successful first year.

The freshmen participated actively throughout the year. During Homecoming Week they enjoyed working on their first float and taking part in the many lunchtime activities.

ORGANIZATIONS

This year, the ASB and Assembly directed their efforts towards achieving two basic goals: increasing student involvement and improving school spirit. ASB President Walt Burkley stated that he felt many positive steps were taken to attain these goals and that he hoped next year's ASB will follow through on these efforts.

During the football season, the ASB focused on returning to the tradition of wearing school colors. In addition, they began a new tradition, a nighttime bonfire before the PV-RH game. ASB also sold painter's caps and held a decorating contest to arouse spirit.

As in the past, the student body officers organized the traditional formals, holiday charity drives, and lunchtime activities. However, in December something new was added: PV's first holiday semi-formal. All in all, the combined efforts of the ASB and the Assembly proved effective. Margaret Chang, ASB secretary commented, "I feel our efforts were successful. It's encouraging to see the change in school spirit."

The Student Curriculum Forum directed its efforts this year toward three major projects. First was the renovation of the PVHS slide presentation, which is shown to students attending the three local intermediate schools. The second and largest project was Creative Thought Day. As usual, the student body was presented an interesting and informative day. Lastly, hoping to make more students aware of services available, the forum organized a library survey. Commissioner of Curriculum Rob Leake summarized the year by stating, "Its success was due to its large enthusiastic and helpful membership."

PV service groups excel in endeavors

The 4th annual Valentine's Formal was only one of the several activities SAL included in its calendar this year. Others such as the Christmas Gift Drive, Harlan Shoemaker, Back-to-School Night, and pizza parties were helpful in increasing the student's participation and interest in this organization. Girl's League President Kathy Malone commented, "I was very happy to see the increase in membership and I hope it continues."

The Academic Decathlon and the Library Advisory Committee were extremely productive this year. The seven students who participated in the Academic Decathlon won 18 personal awards including second place overall. Member Sharon Burke commented, "It was a lot of hard work, but it was worth it." The Library Committee also worked hard by increasing "student awareness of the facilities available at the Palos Verdes libraries," according to member Rob Leake. All in all, both organizations worked diligently for the pride of PVHS.

Insanity and Hershey Kisses carry staff through the year

Through the madness and insanity of room 403, the Triton Staff managed to survive another year and produce a great yearbook. Led by Editor-in-Chief Nan Williams, the large staff of 57 made every deadline, despite the agonies and crises. Having no candids, only two working typesetters and a low supply of Hershey Kisses, the staff still maintained their sanity thanks to the constant reassurance from Mrs Linehan's words of wisdom

In spite of equipment breakdowns, late-night deadlines, and inexperience, the Trident staff produced 14 excellent issues. Topics ranged from student government leaders and administrators to colleges, while editorials and cartoons provoked rabid reactions from the volatile student body.

"Although the staff members were young, they were eager and talented," commented Editor-in-Chief John Yeh. "Also, section editors did an outstanding job."

Honor students excel in school studies

The National Honor Society, under the leadership of President Christine Kim, is a highly respected academic organization. The required GPA for NHS members is an impressive 3.5 for juniors and 3.2 for seniors. "This year NHS provided many hours of free tutoring and other services to the school," commented Secretary Ann Bartron. Other officers included Janet Chen, vice-president; and George Maxe, treasurer.

The California Scholarship Federation is an honorary academic club open to seniors, juniors, and sophomores. This year's president was senior Rose Wu. Although CSF did not perform any service projects, it did recognize the outstanding students of our school. To be eligible for CSF, there was a requirement of 10 points based on a special grading scale.

The Greek Club also had another fun filled year. They planned a trip to a television studio and sold their traditional Greek kebabs.

The High Tech Club was started to provide a forum for students interested in new advances in technology. Contrary to popular belief, members do not walk around with slide rules and calculators all the time. High-Tech included everything from new cars to the latest video games. Throughout the year, many meetings were held and a laser show was planned. Club President Mark Chatow said "For a new club, I feel that we have done pretty well."

Contrary to most high school student's feelings about math, the math club's theme was "Math is fun." Not only did they think it was enjoyable, but they also enjoyed competing in it. In the first of four contests this year, PV took fourth place at the Bay League Math Contest held at Rolling Hills. President Todd Yoshikawa stated the purpose of the club: "It gives people who like math a chance to do what they do best."

Led by their "galactic overlord," Rob Leake, the Strategic Games Club had a very active year. In addition to sponsoring "Risk and Diplomacy" tournaments, they ran a "Dungeons and Dragons" campaign and played numerous other war games. They also planned a trip to a major gaming convention. Leake commented, "There was a large active membership, and it was fun defeating them in all the games we played."

Another promising organization is the Oriental Chess Club. Advisor Mrs. Kuno and President Willies Han are optimistic about the future. Han was especially pleased with the membership this year. He noted, "Because of the surprisingly good turnout, we're very enthusiastic and will look forward to future years."

This year marked another terrific one for both S-Club and Delphinians. Each group expressed their enthusiasm through their many activities and service projects. Delphinians started off with a renewed sense of spirit and carried it on throughout the year. Some of their many activities included ushering shows, visiting convalescent homes, and participating in Harlan Shoemaker. Co-presidents Georgiana Rosencranz and Janet Chen stated that this year, greater enthusiasm and unity enabled the club to accomplish more. S-Club, who was on probation for the first semester, concentrated their efforts on service projects. Club President Ann Bartron commented, "It was tough being on probation the first semester, but it pulled us together and made S-Club stronger."

Although the Omegans were one of the smaller service clubs, they have worked diligently on their community projects. This year, many of their efforts were centered on the RPV Park and Recreation Program for the Mentally Retarded. They also catered for the NHS tea and helped raise money for the Junior Blind

The Spartans also contributed to many service projects this year. They visited convalescent homes, donated money to the cancer society, and sent \$22 a month to a needy child. They also put on a fashion show in the spring and had many bake sales to raise funds for the club

PV Varsity sweeps Rolling Hills in 1983-84 season

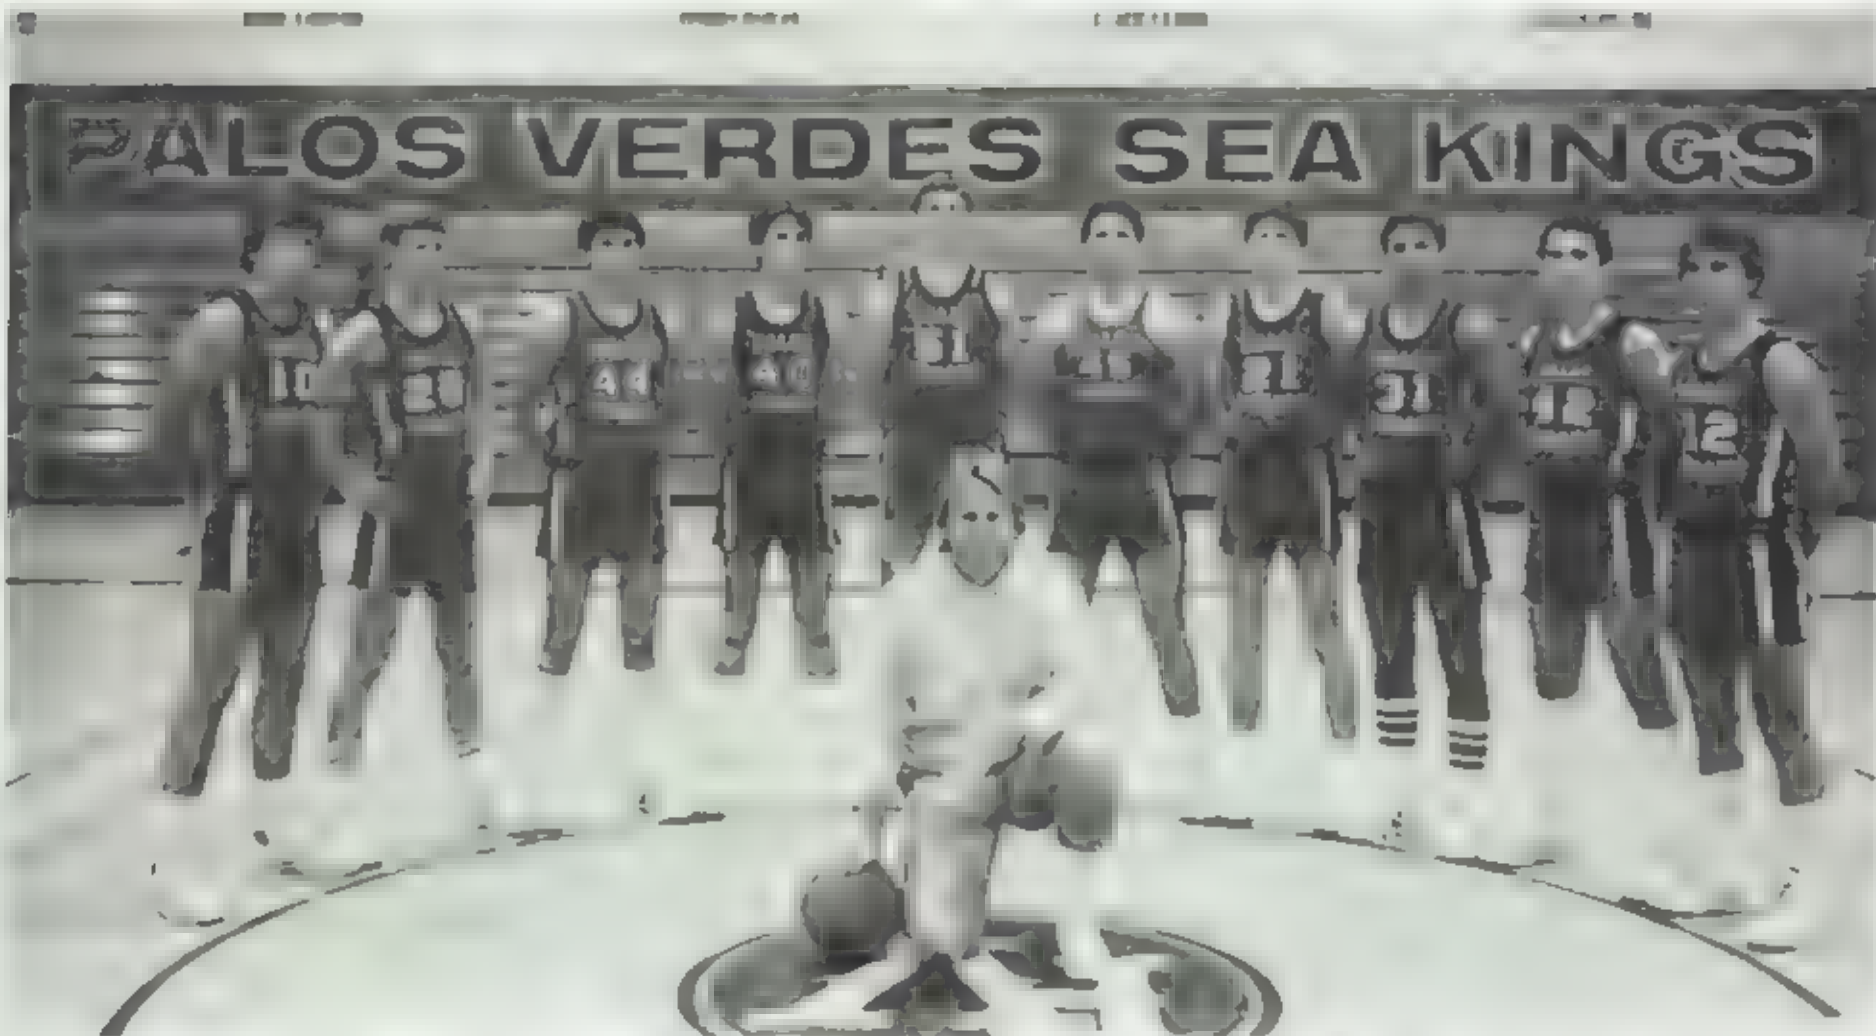

Finishing with a record of 11-3 in Bay League this year, the Boys' Varsity basketball team kept up their winning tradition, making it into the CIF playoffs once again. Under the strong leadership of Coach John Mihaljevich and co-captains Greg Hart and John Koyama, the team rolled to victories over every league opponent except Santa Monica, who went undefeated in Bay League. The high points of the

season came with two overtime victories over arch-rival Rolling Hills.

The Junior Varsity team also had an impressive season, under the fine coaching of Mike Boyd and the leadership of key players Scott Recknor, GM Broucek, and Brian Dwyer. The team constantly surprised and defeated their opponents with their strong defense and their well-executed offensive play.

After a strong season last year, Sophomores struggle...

The PV sophomore basketball team completed an energetic, high-spirited season, finishing in third place in Bay League this season. Led by co-captains Barry Hartley and Scott Tredennick, the team finished with a record of 16 wins and 8 losses overall. Scott Tredennick, who led the team in scoring, was voted MVP for the season. Another great asset to the team, center Dean Decker, gave great inspiration and consistently good play throughout the year.

The season, as Rich Otera put it, "was really not all we could have wanted, but we all tried the best to make the team run smoothly and efficiently. The coach, Doug Mitchell, really helped us realize the flaws in our playing and how to try and work them out. I think that we did respectably well in the season overall."

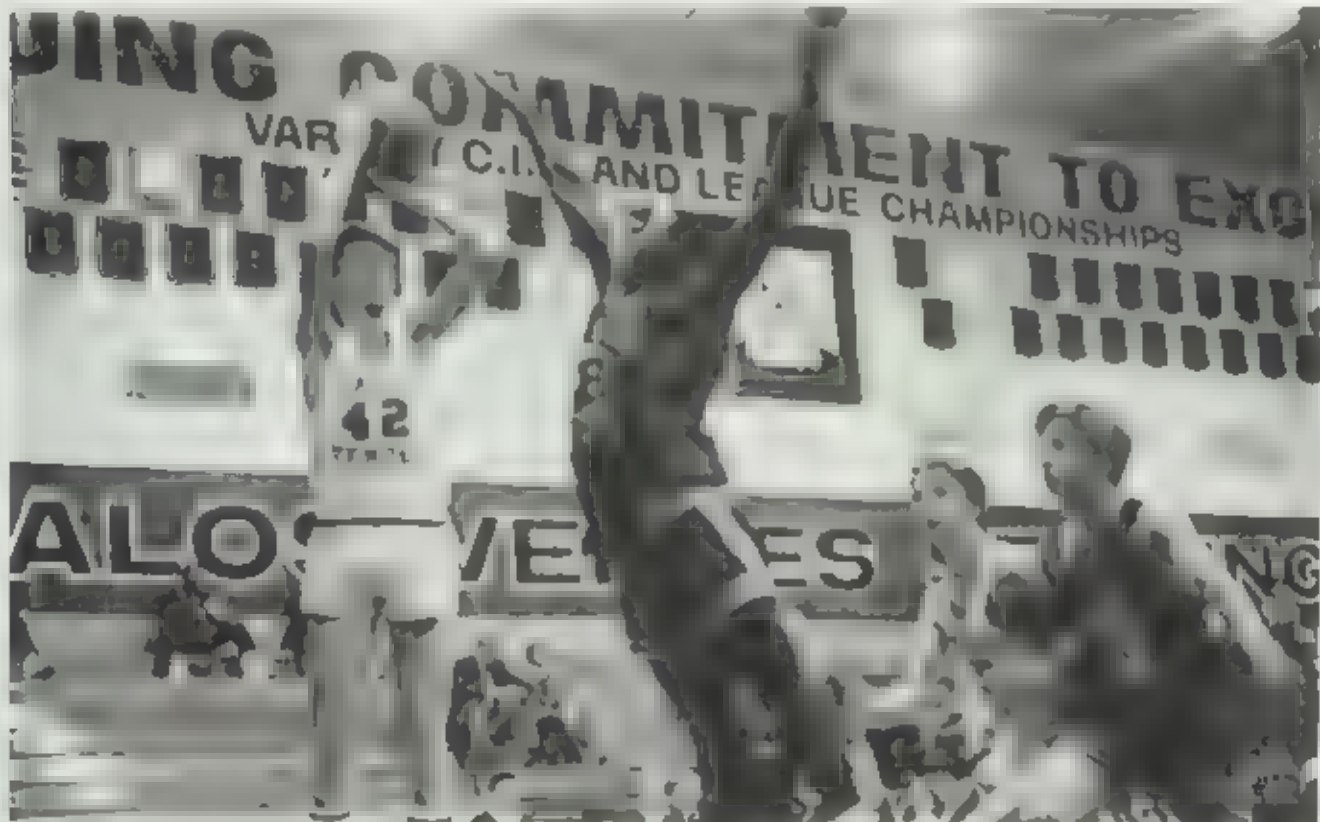

Concentrating intently, Scott Tredennick puts in a free throw for the Sea Kings.

The Palos Verdes freshman basketball team, in spite of strong hopes and good potential, had a disappointing season. They finished with a record of 3-11 in League play, yet even though their record didn't

show it, the freshmen have a lot of potential, especially in forward Jason Taylor and guard-forward Greg Whitley. Guards Ray Landero and John Brown also exhibited strong, consistent play.

The Girls' Varsity Basketball Team had a good but disappointing season. Although Captain Julia Perles and Co-Captains Molly Gleason and Chris Rowley gave impressive performances, the team's record was 7-7. Perles commented, 'It was disappointing to work so hard and have a record that didn't show it.' Next year promises to be a good season for the Sea Kings, to be led by Diane Sakamoto and Patti O'Brien.

The Junior Varsity Team, led by sophomores Colleen Nolan and Captain Jennie Parsa, was also successful in its endeavors. Besides reaching the Consolation Championship in the Culver City Tournament, the team made the most of their new talent. Contributing much to the JV team were freshmen Carolyn King, Suzie O'Grady and Elena Fernandez.

Boys' soccer had a tough season this year. Led by captains Jon Rafuse and Chris Kramer, PV was hoping to do as well this year as they had done in the previous years. But this was not to be, for the team lost some close games and did not qualify for CIF. The team finished fourth in Bay League. Cam Tredennick had an outstanding year with 14 shut-outs, which tied a PV record. Leading the defense was sweeper Nam Cho while the offense was led by leading scorer Jon Rafuse. Frosh-Soph soccer had a good year in Bay League as well as in its outside tournaments. Consistent play was given by Tom Connaghan, Mike Norby, Brad Amico and goalie, Derek Capper. The talented players on Frosh-Soph will contribute greatly to next year's JV team.

With an impressive record of 6-2-2, the JV soccer team finished first in Bay League. The team started slowly, but as the year progressed, the JV team's spirit and unity became evident in their game.

The Varsity soccer team finished the season with a record of 4-5-3. The team had some excellent games showing its skills and dexterity. The points scored this year were contributed by the persistent forward line: Alison Miller, Ann Vasey, and the leading scorer, Stephanie Poncher. Consistent play was given by sweeper, Stacey O'Hara, and goalie, Janice Kasai.

In his first year at PV, Coach Fritz Samoth blamed lack of spirit and ability to play as a team as reasons for the Varsity Team's losses.

In spite of a disappointing start, the Boys' Varsity tennis team professed strong hopes for the future. Led by number one singles player Scott Tredennick, only a sophomore, and number one doubles team Kurt Kredel and Andrew Chekian, both juniors, the team's obvious strong point is that all of its best players will be returning next year. Other strong singles players were Scott Spearman, Mike Brandmeyer, and Mark Germann, who are also juniors. In addition, consistently good doubles performances were turned in by seniors Mike Lindberg and Captain Mike Payne, who stated, "This is the most well-balanced team I've ever been on in my four years at PV. I have a lot of confidence in us."

V pitcher Karen Anderson starts her delivery in a rolling hills game

With leading players Molly and Abby Gleason, Ann Vasey, and new pitcher Denise DeCarli, Varsity softball had a successful season. Despite tough Bay League competition, the Sea Kings performed admirably under such circumstances. Highlighting the pre-season was the Torrance Tournament in which PV defeated foes from the entire South Bay area.

Plagued with inexperience, the 1984 JV softball team had a tough, but enriching, Bay League season. Newcomers Darra Toloczko, Karen Anderson, Tomoko Akama boosted the team spirit with exciting play.

School Board: Jack Bagdascar, Georgiana Rosenkranz, Rose Lachman, Patricia A. Johansen, Ann L. Hinchelle, Martin Dodell

The school board works hard during meetings

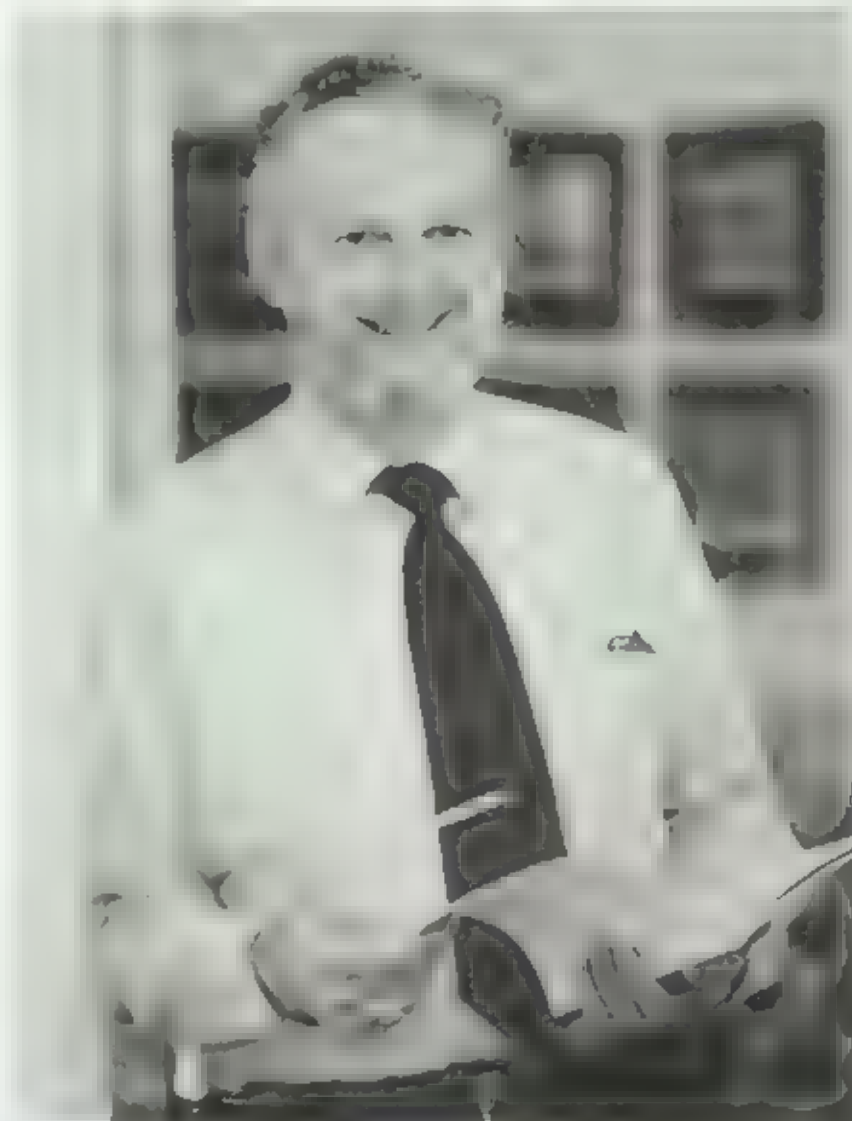

During Jack Price's first year as Superintendent of schools, the district and the school board worked diligently adjusting the educational changes required by Senate Bill 813 which was passed by the legislature last year. Under new Board President Rose Lachman, along with recently elected Jack Bagdascar and student member Georgiana Rosenkranz, the Board has also had to deal with the declining enrollment in Palos Verdes Peninsula Unified School District. However, strong college acceptances and high CAPS scores indicated that PVPUSD maintained its traditional leading role in education

James Kinney Director of Activities

Principal Nancy Detjen, as well as the administration has been delighted with the school's "new look." Funds from the sale of school sites were allocated for maintenance, using Spanish white and chocolate brown.

Students were happy to learn that the suspension rate declined this year, showing an increase in student responsibility. In addition, a strong program of academic excellence continued with the outstanding work of both faculty and students.

Counselors console, counsel, corroborate

Cutbacks have reduced the counseling staff by one full-time position, leaving three full-time counselors and one part time. Despite the heavier work load, the counselors have worked efficiently to help schedule classes.

Foreign Language not foreign to kids

"Seventy per cent of the students at Palos Verdes High are involved in the language department," said Kermit Olsen, chairman of the Language Department. He is just one of the eleven talented teachers who make up the foreign language faculty. Of the four languages offered, three have a four year course of study. Considering that the college language requirements are rising every year Palos Verdes High School gives good preparation.

The Performing Arts Department excelled in many ways this year. In Drama, many awards were won by a very strong and talented group of drama students. There were also many fine performances in the Fall and Spring shows.

The Orchestra, Marching, Concert, Stage, and Jazz Bands all entertained the PV students with captivating and consistently excellent performances. The Jazz Band considered as one of the finest in Southern California.

More emphasis on research, theory

In the Art Department, more emphasis has been placed on reading, dealing with artists and artists' techniques in the belief that students would acquire new ideas and techniques. Students designed and constructed a calendar in Creative Design which was sold at the annual craft fair.

Also, students learned techniques in Beginning Art which helped them visualize shapes, spaces, contours, and spatial relations. Ceramics was a popular course with an emphasis on sculpturing. Student artists also enjoyed various prestigious competitions in which they gained much recognition.

According to Madelyn Bilky, department chairman, changes in physical education for 1983-1984 included placing health and drivers ed in the P.E. department, restricting dance to sophomores and above, and emphasizing aerobics and physical fitness.

In addition, CPR and life saving classes remained an important part of the instructional program, as were the usual sports and games.

Technical Arts expands through its new robotics class

Walt Donahue: Woodshop Advanced Woodshop Cabinet Construction

The new spinoff from computers affected Technical Arts by updating its equipment, according to Walter Donahue, department chairman. Enlarging the program and increasing enrollment are among the teachers' major goals. A new extracurricular robotics class is being offered to students who are interested. Next year, Donahue hopes that enough students will enroll to make it an academic program. A SCROC Satellite program will also be available for students to take on campus next year.

Joan Virgo: Special Program School

The Resource Specialist program moved on campus this year which made mainstreaming much easier. The resource and special day students used the six new computers, which were very close by, to instruct remedial programs and devise support and game skills in addition, career education did a great job helping out students this year.

The Palos Verdes High School Library has added a new head librarian, Nancy Forbes, who has really enjoyed her first year at Palos Verdes

The student store made good use of its new Apple computer while the attendance office stated that there have been fewer absences this year. They believe this is because the students are more school-oriented

School aides lend a helping hand and a final touch

The English writing aides assist the teachers with grading and assignments. The aides, who put in fifteen hours a week, really help take the load of the teachers

School supervisors keep things clean

Custodians and groundsmen did a great job keeping the campus looking good, even with all the problems of trash and heavy rain. They had a lot hard work trying to keep all areas of the campus looking clean.

The cafeteria staff continued their terrific job by providing students with all types of food. The salad bar and baked potatoes continued to be very popular.

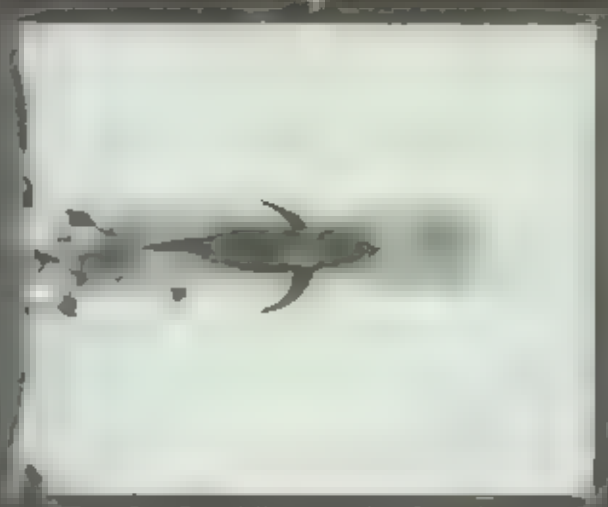

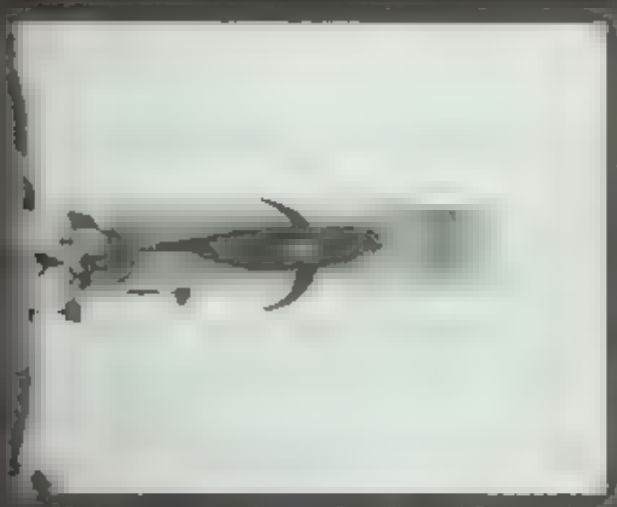

Campus supervisors - Helen, Fran, and Jim - kept everyone in the right spot at the right time. Palos Verdes certainly would not be the same without them.

Patricia Linehan

"Ah right, who stole my exacto?"

"Has anybody seen my board?"

"When will the pizza be ready?"

"Did you put the cassette in?" "No. Did you?" "No."

"Pass the Hershey Kisses please!"

There are a lot of crazy things that happened in Room 403 that I never want to forget. It has been four years of hectic deadlines, never ending questions and constant weight gain. And I loved every minute of it!

Thank you Mrs. Linehan (mom) for helping us create memories for 2000 people. We never could have done any of this without you! You put a lot of faith in us and we appreciate it.
